Attached to this communication you will receive the **list of products** affected by the list price change including the % change. HP shall not be liable for technical or editorial errors or omissions contained here and/or in the attached document.

These list price adjustments are the result of HP's standard portfolio management process, in which HP regularly reviews pricing for all its products and makes adjustments accordingly.

As a consequence of such increase, any end customer deals which have been approved by HP prior to 1st of November 2018 may be supported, as applicable, via the HP List Price Protection (PP) provision in the respective Program Terms, such as in the Supplies Big Deals (SBD) or in the Managed Component Program Guide.

Please contact your HP Supplies contracted Partner and/or other HP supplies partner you purchase from for information regarding specific pricing and availability.

As always, aligned to HP standard commercial practices and applicable laws, HP partners are free to independently set their own resale prices.

HP is looking forward to continuing doing business with you.

Sincerely,

Your HP Supplies Team, EMEA
